DISCUSSION: Hot Tip - There are many possible answers to these questions, we have given some suggestions in the brackets to guide your discussion.

1. What do you think devoted means? *(To love someone or something with commitment; loyal, faithful, true, true blue, staunch, steadfast, constant, committed, dedicated, devout, loving, admiring, affectionate, caring and attentive.)*
2. What or who are you devoted to?
3. What does giving your life up for others look like in the everyday acts of love and kindness? *(How can you put others first?)*

Prayer:

Thank Jesus for giving His life up for us. Ask that He helps you and your family to be devoted to one another in our church community.

Activity:

Create a small book with pictures of people in our church community, either draw and glue in photos of friends and family your child chooses to be devoted to. This book can be used to pray for these people, remember special times together or write down the characteristics your child admires about these people who are devoted to one another.
