Church Update 6 November 2020

Hi Church Family,

This Sunday marks the beginning of an **Indigenous Film and Language Festival** here in our city. The Lord is at work in some wonderful ways in the lives of our indigenous brothers and sisters, so we're delighted to include some special features in our services this Sunday and during the week. In addition this Sunday we have some baby dedications and I will be speaking on the topic of 'Family' in the second of our Knowing God series.

Here are some things to bear in mind for this weekend:

Registration for Sunday Services

As announced last week, **registration for our worship services is no longer required**. Auditorium seating will be on a first come first served basis, so please be attentive to the ushers who will indicate when the auditorium is full, at which point the option of foyer seating will be provided. To comply with government COVID regulations we will still block every second row and encourage social distancing, but we have ceased the registration process. Be encouraged to arrive in good time to ensure that you have a seat, and perhaps consider attending the 10.30am service which still has plenty of room. MPK and Keystone will continue to operate from the beginning of the service.

This Sunday morning we are delighted that the Cafe will be open for take away only, before the 8.30am service and between services. And once again our bookshop "**Seeds**" will be open between services, offering a range of books, cards and gifts. Please be mindful of social distancing when in the bookshop and Cafe.

Sunday Morning Services at our Booragoon Campus Online

Once again there will be a **"live" Zoom option to our 10:30am service** to enable more people to participate, particularly those who are unwell and finding the 8:30am too early. The demands on our rostering systems make it impossible to "Zoom" both services at this time. Here's the link and details.

Zoom 10:30am Sunday Celebration Service

Meeting ID: 848 6305 7402 Passcode: 497497

The meeting will open 5 minutes prior to the service commencing.

Booragoon Service Filming

We are filming our 8.30am service at Booragoon, and it will be available by Tuesday evening on the Mounties [YouTube channel](#) and via our [Sunday@Home](#) page on our website.

Coolbellup Campus Services

This week Peter Christofides will continue the new series, **"Knowing God"** at our Cooby campus. The [podcast](#) will be available by Tuesday evening on our website and [app](#).

A Word in Season

This week's episode of our devotional series **"A Word in Season"** was presented by Michael Chrisite and can be accessed [here](#).

Book of the Month

During the month of November our preaching series will be based on the New Testament book of 1 John, and will be titled, "Knowing God." Our Book of the Month is the Christian classic of the same title, "Knowing God," by J I Packer, a book which in my view every Christian should read at some stage.
