

Church Update 1 April 2022

mountpleasant
baptist church

Dear Church Family,

We're so thankful to the Lord that Level 2 restrictions have now been reduced back to Level 1. Certainly, the Lord has carried and sustained us through this challenging period. But now there is light at the end of the tunnel!

The very good news is that this Sunday at Booragoon we will be able to worship together in person at our regular 8:30 am and 10:30 am services. We are excited to have our MPK children and Keystone youth join us for the whole service and are confident that our numbers will comply with the current restrictions. We will have Activity Sheets for our children, so bring your own pencils from home.

At this stage, we will not be serving tea and coffee and Sunday Café will remain closed. We encourage you to gather with friends in a COVID safe way at a local park or café post-service.

The Thornlie service will go ahead as usual.

As we embrace these changes some restrictions remain, and we want to ensure to fully abide by them. We are no longer required to check-in but masks remain mandatory indoors, physical distancing and hand-sanitising are encouraged. We are also aware, that for a range of very good reasons, some may decide to join us from home. If this is you, we'd love for you to join us on Sunday at 8:30 am via livestream [link here](#). And once again, the family activities can be found [here](#).

May the Lord bless and keep you safe during this time in the lead up to Easter.

Blessings,

Nick Scott

Senior Pastor
